## Welcome to Tykes to Titans Tennis

Dear Parent:

Thank you for enrolling your child in Tykes to Titans Tennis Program. It is my goal to teach your child to love and play tennis to the best of his/her ability. I focus on development of essential physical skills and stroke production while keeping the drills as fun and engaging as possible.

I view this endeavor as a partnership with you (the parent). There are a few key elements that I depend on you for.

1. **Attire:** Your child needs to wear appropriate clothing to classes.
  - a. Shoes should be tennis or running type shoes.
  - b. Summer Clothing: Shorts and Dri-Fit like tops are highly recommended. These can be found at most sporting goods stores and even Wal-Mart.
  - c. Winter Clothing: Long Sleeves and Long, windbreaker type, pants are recommended. Jackets when cool.
    - i. Under 45°F: Please bring Gloves and Ear Protection. Recommended gloves are light weight PolarTec type ski gloves with silicone grippers on the palms.
2. **Court Behavior:** I allow parents on the court. Please refrain sideline coaching. Most instruction should come from me. Some positive signs of approval, like a thumbs up are fine. Please try to refrain from any negative body language.. like rolling the eyes, shaking the head, etc. You are welcome to sit on the front porch during class time as well. For the kids: Behavior as if in school.
3. **Attendance:** Group classes are inexpensive but, to be feasible, they require a commitment from you. If you do not attend, the class is still held and you must still pay for your share. Per policy, you may request a make-up when you give advance notice of missing a class. This should NOT be a regular occurrence. [Click Here to schedule a Make-up Class.](#)
4. **Billing & Payment:** Per policy you have agreed to automatic renewal of enrollment on a monthly basis. You must notify, by email, 2 weeks prior to your last class, when you discontinue classes. This policy allows you to be ensured of ongoing enrollment in your class of choice and allows me to fill your spot when you decide to drop.
  - a. **Canceled Classes:** When a class is canceled by Tykes to Titans, your next invoice will be adjusted for that class. Even if you have not paid before a class is canceled, please pay the invoice amount. This allows me to streamline the billing process and reduces errors in billing.
5. **Notification of Canceled Classes** is done by two methods:
  - a. **Rainedout.com:** this is a free service but you must manage your notifications. This service allows me to blast text or email messages from my phone, while oncourt. Click here to enroll: [http://www.tennis-tykes.com/index\\_files/NotificationSignup.htm](http://www.tennis-tykes.com/index_files/NotificationSignup.htm)

- b. **Notification Page:** [http://www.tennis-tykes.com/tyke\\_court\\_conditions.htm](http://www.tennis-tykes.com/tyke_court_conditions.htm) is the direct link. There is also a link on the home page. Look to the upper right for the rain clouds. This page will have class cancellations and notices of Holiday Schedules.

### Use of Facilities

1. **Tennis Court and Grounds:** Please respect the court and equipment. The surface will scratch if dragging objects, like chairs and mini-nets. Please pickup your trash and bottles. There are both trash and recycle receptacles at the court.
  - a. **Court Use:** I allow court use for challenge matches when I am not using. This must be reserved by email. I often allow kids to stay & play after the last class. In either case, please pickup all balls and debris and lock the gate before you leave.
2. **Bathroom:** I allow access to my home for bathroom facilities. Try to have you child use the bathroom before arriving. Ask me for the key when you need to use the bathroom. Please only dispose of toilet tissue in the toilet. No paper towels or hand wipes.
3. **Parking:** Please help me be a good neighbor and refrain from parking directly in front of my neighbors homes. There should be ample parking in front of the tennis court, my home, and directly across the street from my home. You may park in my semi-circular driveway as well. See the bottom of this document ("ctrl" + "page down") for Parking Diagram.

I look forward to coaching your child towards the lifelong benefits of Tennis. Please feel free to address any concerns you may have.

Thanks,  
Tennis-Coach Pat

# Parking at Tykes to Titans Court

 ==>	Please Park Here, leaving room for others
 ==>	Please Do <b><u>NOT</u></b> Park Here. Neighbors desire to park in front of their houses.

My neighbors have requested that we not park right in front of their houses. They come home from work at lesson time and, understandably, do not wish to park down the street. Please see the picture below and refrain from parking in the areas right in front of houses, as marked below in reddish color. The green areas are suggested spots Let me know if any questions. Thank you in advance for helping. There should be ample parking without unduly inconveniencing my neighbors if we are mindful to park and leave spaces for others.
